**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic brought me salvation from expensive and low quality services from the likes of Comcast. Sonic is a great example of how some competition can bring best services, coverage and development to the industry. Preventing the big companies from their abusive practices is hard enough work for this small and starting companies, the FCC doesn't have to make their job impossible.

Thank you,

Diego Bueno
